The Tenth Joint Seminar of China-Korea-Japan on Wood Quality and Utilization of Domestic Species

November 13-15, 2015
Lin’an, Hangzhou, Zhejiang, China

The First Announcement

It’s our great honor to announce that the Tenth Joint Seminar of China-Korea-Japan on Wood Quality and Utilization of Domestic Species will be held from November 13 to 15, 2015 in Lin’an, Hangzhou city, Zhejiang Province, China.

The Joint Seminar 2015 is followed the previous six seminars held in Beijing of China in 2006, Seoul of Korea in 2007, and Miyazaki of Japan in 2008, Harbin of China in 2009, Seoul of Korea in 2010, and Miyazaki of Japan in 2011, Changsha of China in 2012, Jeju of Korea in 2013, Akita of Japan in 2014 respectively. This is a new start of the fourth rotation for this joint seminar series, which newly come back to China.

Background

The idea of a joint rotating annually among China, Korea and Japan was raised during the 9th World Conference on Timber Engineering (9th WCTE) in 2006 in Portland, when the participating researchers from these three countries exchanged information about their research activities and noted their shared challenge to utilize domestic species in the countries. Subsequently, a series of cooperation activities were then conducted to concentrate on wood quality and utilization of domestic species in China, Japan and Korea. This joint seminar series are very important activities to encourage the concrete cooperation between the three adjacent countries in Northeastern Asia.
Objectives
The main objectives of the joint seminar are to provide an international forum for experts to exchange the latest research results, technological advances and experiences, as well as business practitioners and senior management from industries to further discuss current focus problems, new technology, and future alternative solutions related to the opportunities and challenges of wood products and utilization of domestic species in China, Japan and Korea and other countries.

Topic
1. Timber Construction
2. Solid Wood Processing
3. Wood NDT Evaluation
4. Wood Chemistry and Adhesive
5. Wood Identification
6. Nano-Cellulose Materials

Time
November 13 to 15, 2015.

Venue
The seminar will be held at Hangzhou Wonderland Hotel-Lin’an in Hangzhou, Zhejiang Province, China.

Call for Papers
The programme is open for presentation suggestions. Please prepare abstract according to the appendix template, and send your abstract by e-mail to Dr. Guo Juan, e-mail: guojuanchina@126.com, to be received not later than September 30, 2015.
