

## For your presentation in the JWRS meeting,

1. Apply for the membership (if you do not have it).
  - i. Visit the HP of JWRS ([https://www.jwrs.org/apfrms/nyukai\\_mail-e.html](https://www.jwrs.org/apfrms/nyukai_mail-e.html))
  - ii. Membership ID will be immediately issued. You will need it for the next procedures.

2. Register for your presentation.
  - ❑ You need membership ID for the registration, which is checked by the system. It takes a meantime until your newly applied ID gets activated, and therefore it is strongly recommended that you apply for membership as early as possible

3. Register for your attendance.
  - ❑ Registration for your attendance has to be done apart from that for presentation.
  - ❑ Basically it is necessary to pay for the attendance in advance.

Finish. You will have e-mail for the reconfirmation for your presentation and attendance separately.
